# 36 MONTH WARRANTY PACKAGE BUNDLE

**ALL heavy-duty standard transmissions qualify for 36 month package program.**

**Registration for additional warranty must be completed / submitted within 30 days of retail sale of bundled product.**

## Package Bundle Supplied Includes

1. ULT Powertrain transmission of choice
2. Standard bell housing installed on every unit (core return required)
3. New Eaton THREE Year series clutch
4. Exchange resurfaced flywheel (core return required)
5. Flywheel NTN pilot bearing
6. Eaton 1-piece clutch brake
7. Eaton shift tower gasket
8. Standard shift tower

## Instructions

1. Request a heavy-duty reman transmission in a 36 Month Package format with the CSR team.
2. Confirm transmission part number with team.
3. Confirm/verify vehicle engine model to identify flywheel required.
4. Select clutch model desired for application.
5. Note: You need to supply or require an approved synthetic lubricant. This is required to activate additional 1-year warranty on above items.
6. Please enclose proof of purchase or repair order listing transmission, clutch and lubricant along with this registration form to activate the warranty.

# STANDARD WARRANTY PROGRAM

**Under normal on highway operating conditions, all remanufactured units supplied by ULT Powertrain Remanufacturing and Services are warranted in accordance with the Warranty Application Chart on the previous page. Additional warranties may be available at point of purchase.**

ULT Powertrain Remanufacturing and Services will decide after consultation with the customer to replace the original unit or perform warrantable service to a remanufactured unit. Warranty may be administered only by an authorized warranty repair facility.

Please note this warranty is limited and regulated by ULT Powertrain Remanufacturing and Services. The following applies:

- ULT Powertrain Remanufacturing and Services reserves the right to exercise its sole discretion with respect to all decisions taken or permitted to be taken under this Warranty.
- ULT Powertrain Remanufacturing and Services shall not be liable for any amount in excess of the total original invoiced unit value.
- If there is a balance owing by Purchaser with respect to that Unit. Warranty services shall be withheld by ULT Powertrain Remanufacturing and Services until such invoice is paid in full.

## WARRANTY EXCLUSIONS or ALTERNATIVES

Warranty offered by ULT Powertrain Remanufacturing and Services may be voided or altered if the following circumstances are suspected.

1. Evidence of accident damage.
2. Incomplete repairs or incorrect repair of prior unit's cause of failure.
3. Driver neglect.
4. Poor maintenance.
5. Inadequate, contaminated, poor or wrong lubrication.
6. Incorrect installation or operation.
7. Modifications to exchange units.
8. Damage or Failure to said unit due to any related, or mating parts not supplied or installed by ULT Powertrain Remanufacturing and Services (including but not limited to drive shafts, power take-offs, flywheels, clutches, transmissions, transfer cases, axles, tires, rims, etc.).
9. Mismatched tire sizes or unevenly worn tires.
10. Failure due to shock load, is non-warrant-able.
11. Improperly operating air systems.
12. Driveline vibrations.
13. Shifting qualities that are not reported immediately, may void warranty.

## CUSTOMER OBLIGATIONS IN THE EVENT OF UNIT OPERATIONAL FAILURE

In the event of a unit operational failure or any operational concern, ULT Powertrain Remanufacturing and Services must be contacted immediately. The vehicle and/or the unit must be made available for the purpose of inspection by ULT Powertrain Remanufacturing and Services. Customer must report any operational concerns in a timely manner or risk voiding the warranty.
