

# Get Ready for Our New Plant Expansion

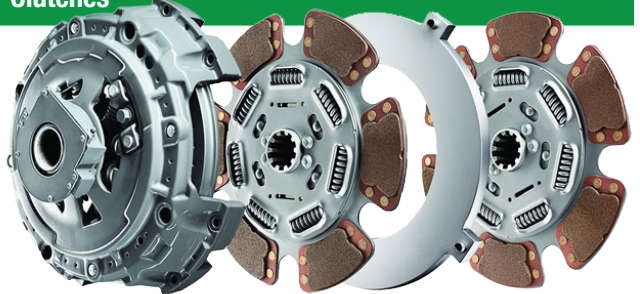

ULT is getting ready to move into their new state-of-the-art 35,000 sq. ft. manufacturing plant which is currently scheduled to open on November 1, 2018. The new facility is in Mississauga and will allow us to more than double our current production capacity. New dynos and additional manufacturing equipment are also being added to ensure we maximize production output while maintaining our premium quality standards.

The new facility will also allow us to stock more in depth, our entire product offering to better serve our valued customer base!

Transmissions

Clutches

Power Steering Pumps & Gears

Hydraulic Pumps, Motors, Valves and Cylinders

Differentials
