

Brand New SUV Driveshaft Assemblies Now Available

ULT is pleased to announce we have “Brand New” Driveshaft Assemblies for most SUV applications. “Brand New” means no dirty cores to return. These units are in stock and ready to ship ANYWHERE from our Ottawa facility. All units are balanced from the factory and backed by a One Year warranty.

What Makes ULT a Cut Above the Rest

- Full in-house driveshaft manufacturing and repairs
- Specialize in automotive, light to heavy duty truck, off-road, performance, PTO and agricultural applications
- Use only OE quality components from industry leading suppliers to ensure premium performance, dependability, great-value and less downtime
- State-of-the-art computer balancers deliver high precision balancing and a quick turnaround
- All drive shafts go through a rigorous inspection process by highly trained and experienced technicians
- Aluminum Driveshafts available (new & repaired)
