

New State-of-the-Art Manufacturing Plant to Better Service Our Valued Customers

From our humble beginnings in 2011 with 5 employees at a 4,500 sq. ft facility, ULT has quickly grown to be Canada's industry leader in driveline parts and service. Fast forwarding 7 years later, we are honored to now employ 63 people with a combined 75,000 sq. ft. of warehouse and manufacturing space. Our dedicated staff now includes 25 Powertrain Technicians and 15 Steering Technicians to better serve your needs.

The new facility (shown below) has allowed us to more than double our manufacturing capacity. New dynos and state-of-the-art equipment have been added to ensure we maximize our production output while maintaining our premium quality standards.

OUR NEW ADDRESS:
1880 Courtneypark Dr. E.
Mississauga, ON L5T 1W1

Since our inception, the main-focus has always been to provide superior quality and customer service support on all our products. We want to personally thank all our dedicated employees who have been an integral part of our successful growth to become the leader in supply and service of powertrain and power steering product lines.
