

# ULT Now Stocks New Power Take-Off Units & Dump Pumps

## → Parker Power Take Offs

ULT is pleased to now stock Parker Chelsea (PTO) products. We offer a complete line of power take-offs for North America, including cast iron 6-bolt, 8-bolt, countershaft, split-shaft, powershift and front-mount applications. Key features include air, cable, lever or electric shift options, overspeed control and flanges for direct or remote mounting to hydraulic pumps, blowers, water pumps, product pumps and generators.

## GENUINE METARIS Dump Pumps

ULT also stocks Metaris Dump Pumps. Hydraulex Global's line of Genuine Metaris piston pumps are known for their efficiency, durability and reliability. Available in multiple models, displacements and configurations, our piston pumps are used in a variety of industries, covering both mobile and industrial applications.
