

Remanufactured Transmissions

We Give Our Customers Options... You Decide

ULT Brand Eaton Fuller Remanufactured Transmission, remanufactured with our combination of original Eaton/Fuller gearing, air system, Italian Euroricambi gearing, NTN Bearings and Fairview Hoses & Fittings.

Or you can request **ULT Brand OE Eaton Fuller Remanufactured Transmission**, remanufactured with all Eaton/Fuller original components.

What Makes ULT a Cut Above the Rest

- Two Year Unlimited Mileage Warranty on parts and labor
- Expertly remanufactured by highly trained and certified staff on an individual, unit by unit basis; not a repetition based assembly line
- Dyno performance tested to meet or exceed OEM standards

All ULT Powertrain remanufactured units, receive the following New Components, regardless of the unit's original condition. Not even original factory remanufactured units can make this claim:

- **Input Shafts**
- **Input Shaft Gear**
- **Main Drive Gear**
- **Over Drive Gears**
- **Synchro Complete**
- **Counter Shaft Drive Gears**
- **All Air System Vales**
- **All Air System Hoses & Fittings**
- **All Related Bearings**
