ULT POWERTRAIN REMANUFACTURED UNITS

ULT's powertrain program is second to none. Each technician starts and finishes their transmission or differential by paying attention to every detail. All new original OE synchronizers, air valves, bearings are installed in every unit. All hard parts used are of OEM or better quality.

WHAT MAKES ULT A CUT ABOVE THE REST:

- 2 Year Unlimited Mileage Industry Leading Warranty (Applies to Fuller & Allison Transmissions)
- Expertly remanufactured by highly trained and certified staff on a unit by unit basis; not a repetition based assembly line.
- Dyno performance tested to meet or exceed OEM standards.
